Ergochair

seatwedge

11° tilt | dimensions: 40 cm x 40 cm

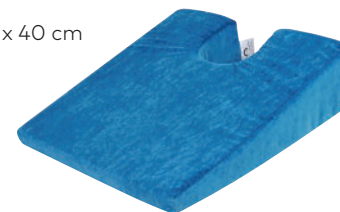

To assist with sitting for long periods, this seat wedge will help maintain the spine in its natural position, significantly decreasing muscle fatigue and pain across the lower back.

coccyxcut out wedge

11° tilt | dimensions: 40 cm x 40 cm

This wedge will gently rotate the pelvis forward to relieve strain from the lower back.
